SUBJECT: PARKS & RECREATION LAUNCHES FASTREG SYSTEM

Elk Grove, CA – Registration for Elk Grove leisure classes will step into the 21st century with the launch of a new FastReg system this Winter at the Elk Grove Community Services District (CSD) Department of Parks & Recreation.

Once fully activated, FastReg will streamline the time it takes for customers to register for classes with the CSD. And coming this spring, FastReg will expand customer services to include online registration.

Presently, the District is requesting the public's help to enter data into the new FastReg software system prior to the first day of registration for Winter/Spring classes on January 6th. If you or a member of your family participates in CSD recreation programming, please fill out a client data sheet before December 31st. Those who submit their information prior to registration day will receive registration priority on January 6th.

Client data sheets are available as downloadable forms and e-mail submittals on the District's web site at www.egcsd.ca.gov. Copies of the form are also available at the CSD Administration Building (8820 Elk Grove Blvd.) or the Laguna Town Hall (3020 Renwick Avenue).

For more information about the FastReg system or the client data sheets, contact the Department of Parks & Recreation at (916) 685-3917.
